

The 4th edition of **Ravenna Nightmare Film Fest** will take place in **Ravenna, Italy, from 3rd to 8th October 2006**.

It is now possible to enter the two competitions held in our festival:

- the **International Competition for Feature Films** (main event of the festival)
- the **European Competition for short-films**, connected with the “Méliès d’Or for the Best Fantastic Short Film”.

Anyone who is interested in submitting a film (long or short), must fill in the entry form on our web site www.ravennanightmare.com, and sending all necessary materials to the address quoted below. Regulations are on the same site. **Dead line for submission is 16th August 2006**.

We remind that for **long feature films**, International Competition is open to fictional long films, belonging to the horror and fantastic genre in its broadest sense, of any nationality; while for **short films** they must come from **Europe** in its broadest and common sense, and belong as well to horror and fantastic genre.
